Mississauga Minor Hockey associations to celebrate Mayor Hazel McCallion

Mississauga Hockey League, Mississauga Girls Hockey League, Streetsville Hockey League team up to honour Mississauga hockey's biggest fan

The Mississauga Hockey League, Mississauga Girls Hockey League and Streetsville Hockey League will honour outgoing Mayor of Mississauga, Hazel McCallion, for her unwavering support for minor hockey in the community. On Saturday, November 29, 2014, the three associations will pay tribute to Mayor McCallion with a special ceremonial puck drop at the start of the MHL's annual Minor Novice Fun Day at Tomken Arena at 12 noon. Special events showcasing skills development offered by minor hockey will be displayed and Minor Novice players from each of the leagues will participate in the ceremonies. The Tomken auditorium will be set up with a display of Mississauga hockey memorabilia providing a history of minor hockey in Mississauga and will include a slideshow of Mayor McCallion's support and participation for the community's hockey.

MHL Sponsors

All members of the minor hockey community in Mississauga and the general public are encouraged to attend.

About the Mississauga Hockey League

The Mississauga Hockey League (MHL) is in its 69th season and is made up of eight Area Associations – Applewood, Clarkson, Cooksville, Credit Valley, Erindale, Lorne Park, Meadowvale and Port Credit. These eight associations manage 400 teams with over 6,000 registered players. Through offering multiple different levels of safe, fun and affordable competition for players 4-20, the MHL ensures that hockey is available to every young person in the City of Mississauga.

About the Streetsville Hockey League

The Streetsville Hockey League (SHL), formerly known as the Streetsville Amateur Minor Hockey Association, has been providing hockey programs to the Streetsville community since 1946. The Vic Johnston Community Centre is the home of the SHL and the facility celebrated its 50th anniversary in the fall of 2011. The SHL has more than 650 players participating in hockey from the IP to Midget levels.

About the Mississauga Girls Hockey League

The Mississauga Girls Hockey League (MGHL) is an all-girls hockey league in Mississauga providing House League and Rep Hockey opportunities for girls from ages 4 and up. The League began in 1967 and was founded by Mabel Boyd.

Reliance Home Comfort MHL Fair Play Challenge

The Mississauga Hockey League has again partnered with Reliance Home Comfort for the 2014-2015 hockey season.

Through this new partnership the MHL and Reliance have established the **Reliance Home Comfort MHL Fair Play Challenge**, whereby teams at all age and skill levels will be rewarded for "fair play" within regular season league play.

Reliance Home Comfort MHL Fair Play Initiative

Now that the MHL House League Convening period has ended, here are your Reliance Home Comfort MHL Fair Play Challenge leaders...

In the Minor Novice through Pee wee divisions – PC072 (PW White)

In the Minor Bantam through Juvenile divisions – AP121 (Juvenile White)

In the Gold and "A" divisions – CL080 (Minor Bantam "A")

For the top 10 teams in each division:

<http://hockey.on.ca/wp-content/uploads/2014/11/Reliance-data-2014-15-Leaders-at-Nov-6-14.pdf>

For ALL the teams:

<http://hockey.on.ca/wp-content/uploads/2014/11/Reliance-data-2014-15-All-teams-at-Nov-6-14.pdf>

The Program:

During the 2012-2013 season, the Mississauga Hockey League established a partnership MHL with Reliance Home Comfort and created the Reliance Home Comfort MHL Fair Play Challenge, whereby teams at all age and skill levels will be rewarded for "fair play" within regular season league play.

The idea is simple...to keep players out of the penalty box and on the ice.

"Fair play" and a focus on the MHL Discipline Emphasis Program over the past few years has helped to reduce player suspensions and injuries. Reliance and MHL would like to reward those teams and players who consistently respect their opponents and the rules of the game.

Using historical Average Penalty Minute statistics for each level/colour, every MHL team will be monitored through the course of the regular season and those who stay lowest BELOW their benchmark during their MHL games will be declared the winners.

One award will be presented within the Minor Novice through Pee wee teams, one for Minor Bantam through Juvenile, and one for Gold and "A" teams.

Watch our website for ongoing updates and keep your stick on the ice!

Last years' winners:

ME073 (Pee wee Blue) in the Minor Novice to Pee wee division

PC114 (Midget White) in the Minor Bantam to Juvenile division

PC100 (Minor Midget "A") in the Gold and "A" division

Port Credit Minor Bantam "A" Team Give Back to the Community

Our **Port Credit Minor Bantam A Team** wanted to find a way to give back to the community this year. We reached out to a charity known as The Open Door. Located at Square One, this non-profit group serves families in need providing them counseling, food cupboard assistance, diapers, clothing, weekly dinners and more. They operate entirely by donation and we assisted their volunteer team with their monthly clothing drive this past Thursday night.

The players and coaches helped to load up two pickup trucks with boxes and bags containing donations of clothing and miscellaneous items. The trucks then drove briefly to another unloading area and our players unloaded the trucks, carried the items to their distribution room and sorted the boxes in an organized fashion. They also had opportunity to distribute a token pin to some of the families attending their supper club and received a tour and a presentation about the agency and the services it provides. It was a physical workout for them and required some teamwork, but it was certainly different from being on the ice! The boys and their families also showed their support to the agency by bringing in non-perishable foods, clothing and books that will be sorted and distributed to the families.

As a team they were very pleased to do this helpful task and they are asking when they might be able to do again!
