The Mississauga Hockey League has again partnered with Reliance Home Comfort for the 2014-2015 hockey season.

Through this new partnership the MHL and Reliance have established the **Reliance Home Comfort MHL Fair Play Challenge**, whereby teams at all age and skill levels will be rewarded for "fair play" within regular season league play.

The idea is simple...to keep players out of the penalty box and on the ice.

MEDIA RELEASE

January 8, 2015

MISSISSAUGA DISTRICT MINOR BALL HOCKEY LEAGUE 2015 SEASON

The amateur sports scene in Mississauga will be active this spring as the Mississauga District Minor Ball Hockey League is preparing for the upcoming 2015 season.

The Mississauga District Minor Ball Hockey League is the ultimate organizational role model for the sport of Ball Hockey in Canada. Setting a new standard by combining passion, tradition and community involvement; our goal is to provide an affordable minor ball hockey league for our youth to enjoy. Our sport is inexpensive to play, require few basic skills and transcends all socio-economic barriers.

Our league is a member of the Ontario Ball Hockey Federation (OBHF). The Ontario Ball Hockey Federation crowns champions at many different levels and players can participate in many different age groups from Learn to Play / Squirt (3-5 years of age) up to Masters (over 40 years of age). There are minor's, men's and women's leagues available and balanced competition is promoted throughout the province by allocating teams into A, B, C, D and E levels based on player experience and ability. Similar to ice hockey, players may participate in House League and Representative Programs. The OBHF sets the standard for the sport of ball hockey throughout the world and strives to be one of the most successful amateur sports organizations in Canada. More information can be found at www.ontarioballhockeyfederation.ca.

The OBHF is a member of the Canadian Ball Hockey Association (CBHA - www.cbha.com) which is an associate member of Hockey Canada and governs the sport in this country. There are over 45,000 players of all ages playing in organized leagues throughout Canada. Ball Hockey also enjoys a large global presence and the sport is currently being played in as many as 45 countries worldwide. The CBHA has always taken a leadership role in the expansion of ball hockey and was a founding member of The International Street and Ball Hockey Federation (ISBHF - www.isbhf.com). Ball Hockey players can aspire to not only be crowned domestic champions, but be honoured as world champions as well. The International Ice Hockey Federation (IIHF) has officially recognized the ISBHF as the governing body of street and ball hockey in the world.

Thank you for your support and we look forward to an exciting 2015 season.
