MHL Play-More

Now a Registered Charity!

The Mississauga Hockey League and its eight member Associations are proud to announce that the MHL Play-More Program, a program that assists players unable to participate due to severe financial constraints, has become a registered charity. The Program addresses the cost of playing hockey and enhancing player experiences.

Assistance from the MHL Play-More program provides any eligible resident hockey player with the opportunity to play hockey at all competition levels. There are currently 55 players in the program.

Now companies as well as individuals can donate to a great cause and benefit from a tax credit.

Depending on the size of the donation the combined Federal and Provincial tax credit could be up to 40%! Donations of over \$25 will receive a receipt for tax purposes.

Help provide the gift of hockey to an underprivileged child.

Donate now!

(Contact the MHL Office to find out how you can donate.)

Toys for Tots "Battle of the Century"

It's hard to believe there are some children in our community that will not receive or have toys to play with. Please help us put a smile on a child's face this Holiday Season with the gift of a toy – supporting our Toys for Tots Charity Hockey Game will help us do that.

On Friday, December 11, 2015 at 7:00pm at Iceland Arena, Darryl Sittler along with the NHL Stars, the Peel Regional Police All Stars & the Lorne Park Hockey Association Coaches will do their best to make those smiles happen. The LPHA Coaches will battle our heroes of the past & our very own Peel Regional Police Officers, the heroes of our community, in a game full of fun & surprises to help raise toys for the Peel Regional Police Toys for Tots Program. Once again this year we hope you can all help us promote this worthy event to help the kids in the Mississauga community. This will be the 5th time in the last 6 years we have held this event. The year before last your assistance helped us push this event over the edge as we collected almost 1,000 toys and nearly \$10,000 in donations.

MGA International will be our main Sponsor this year along with White Oaks Ford Lincoln. Even the players' uniforms for both teams have been donated- the objective once again this year is to have this event fully sponsored and to meet or exceed last year's totals.

Don Cherry, Johnny Bower, Mississauga City Counsellors, MPP's, MP's along with our event sponsors will be there to drop the puck for the opening faceoff and other surprise guests will be in attendance. *We will also have a Shoot for a Car Contest where 4 lucky ticket holds will have the chance to win a brand new CAR from Whiteoak Ford-Lincoln along with many other prizes and give-a-ways.*

So you'll get a chance to help your Community, a chance to see your Hockey Heroes and a chance to win great prizes, all for the price of a New Unwrapped Toy or \$10 per Ticket, Wow, what a deal! So please come out with your family and friends and support this very worthy event and put a smile on a child face!

How you can help fulfill their potential - off the ice

Your children may be dreaming of the hockey gear they'll need next season, or how college, university, or even grad school will help them learn valuable academic and life skills.

Learning to manage money and how to off-set the cost of tuition will be an important discussion you have together. But whatever their academic choices, at Scotiabank, we've got the resources that can help them live up to their full potential.

1) Accounts for Students

A Scotiabank student account helps your child manage their day-to-day banking with no fees and unlimited transactions. Plus, with a SCENE debit card, your child can earn rewards towards free movies and more. Visit www.scotiabank.com/student to learn more.

2) Money for School

Off-set the cost of tuition - www.yconic.com offers over \$100 million in scholarships and financial aid available across Canada.

3) Bursaries and exclusive awards for Students

With bursaries to be won, a budget tracker, tips for building credit, and exclusive monthly cash awards, it's worth checking out www.fundyourfuture.ca.

4) A payment card for textbooks or everyday expenses

The Prepaid VISA gives students the independence of a payment card and access to the benefits of a VISA without the credit requirements or interest charges. Your child spends only the amount loaded onto the card. Visit www.scotiabank.com/prepaid to learn more.

Your child deserves to focus on their education and not how they'll pay for it. Visit a Scotiabank branch and ask us how we can help make their student life a little easier.

DISCOVERING THEIR LOVE OF THE GAME

FIRST SHIFT GEARS UP

On two consecutive weekends in early November, 90 new First Shift participants hit the ice at Tomken Arena to participate in the second year of this introductory hockey program hosted by the Mississauga Hockey League. Created by Hockey Canada and Bauer Hockey, the program aims to support local organizations like the MHL, assist in removing perceived barriers to families (cost, time commitment, safety and competitiveness) and inspire more kids to play hockey. The overall goal is to show that hockey is fun, and to dispel myths about the high cost and safety issues.

The MHL ran First Shift in 2014-15 with a Second Shift continuation. Of the original 45 enrollees, 33 continued onto the Second Shift component which continued skills development for half of the session followed by a mini-game. Of the 45, over 60% enrolled with a hockey association for the 2015-16.

Each on-ice session is led by volunteers from the MHL Board of Directors and MHL Associations.
