The Mississauga Hockey League is pleased to report that an agreement in principle has been reached for the merger of the Lorne Park Hockey Association and the Clarkson Hockey Association.

This merger will be in place for the upcoming 2016-2017 hockey season.

Both Associations are extremely excited about this agreement and believe that it will provide a stronger, more stable organization for growth, allow players to progress through all skill levels without having to change Associations.

A transition team has been put in place led by Adam Schmidt (LPHA's President) and Shawn Sandink (CHA's President) which will be holding meetings with various stakeholders to communicate the details of this transition.

The MHL Board of Directors and the other Area Presidents congratulate Lorne Park and Clarkson on arranging this amalgamation. The move will help to reenergize both group's volunteers and help keep players in hockey at this new organization and in the MHL.
