

MISSISSAUGA HOCKEY LEAGUE VERIFICATION of CERTIFICATION IN-PROCESS

Mississauga Hockey League volunteers are required under Hockey Canada regulations to complete specific hockey related certifications. Speak-Out certification is one which is required by all volunteers.

House League coaches have until December 15 of the playing season to complete these certifications. (Trainers must complete certifications prior to being approved). 'A' team officials must have all certification completed prior to the season start.

In addition, all volunteers within the Mississauga Hockey League and Hockey Canada are required to complete a Criminal Reference Check (CRC) with Vulnerable Sector Search (VSS).

As of July 19, 2010, the RCMP instituted enhancements to the Canadian Police Information Centre (CPIC) system. The enhancements included a broadened scope for Vulnerable Sector potential matches. Applicants requesting a criminal records check (CRC) who share the same date of birth and gender as a pardoned sex offender will be required to submit fingerprints for processing and to establish that the applicant is not a pardoned sex offender who has obtained a legal name change.

The following waiver confirms applicants have begun the process of certification and/or CRC with VSS (and/or fingerprinting).

This form must be completed and submitted to the MHL office in order to be considered for a temporary coach's pass and approval to be involved in team activities. This temporary approval will expire as of December 15. Certifications and an approved CRC must be completed by December 15 to receive permanent approval and official coach pass.
