### CONVENING VOTING PROCEDURES

- Each Divisional Committee will consist of at least one representative from each Area Association or non-MHL Club, and one MHL Director, who shall be the Chairperson of that Committee.
- Each Area/Club Rep and MHL Director will have one vote for the Division that he/she is convening. “Reasonable” attendance at MHL games is required to qualify for this vote.
- Should a Division have more than one Area/Club Rep or MHL Director, those representing the same entity will combine their votes into one.
- Should there be no Area/Club Rep for a given Division, that Area will have no vote for that Division.
- All team movements will be approved by a simple majority of the representatives present at any meeting of the Divisional Committee held to decide such movement. In the case of a tied vote, the Chairman shall cast an additional vote to break the tie. All issues voted upon should be documented and ALL applicable votes included and tallied. (Yes, no, or abstentions.)
- The Final Convening meeting shall be for the purpose of verifying final team entries only.
- Team entry decisions will be brought forward to the MHL at the Final Convening meeting. There will be no discussion about any Division after the teams have been presented to the MHL.
